10. COMPLETENESS

All information required by the Invitation to Bid must be supplied to constitute a proper bid.

11. AUTHORITY TO ACT AS AGENT

Upon request, the bidder will provide proof to the Districts that the signatory on the proposal form has the authority to bind the bidder to the price(s) quoted.

12. DEVIATIONS

In the event that the Bidder intends to deviate from the specifications, all such deviations must be listed and attached to the bid. The absence of a submitted deviations will assure the Districts that no deviations from specifications exist.

13. QUESTIONS REGARDING SPECIFICATIONS

Should a bidder find discrepancies or omissions in the specifications or instructions, or should he/she be in doubt as to their true meaning, he/she should notify the Assistant Superintendent who will, in turn, clarify such specifications and notify other bidders of any material change or clarification. The Boards of Education shall not be held responsible for oral instruction to bidders. **No questions will be accepted 24 hours prior to the bid opening.**

14. SUBLETTING CONTRACT

It is mutually understood and agreed that the Bidder shall not assign, transfer, convey, sublet, or otherwise dispose of his/her contract or right, title or interest therein, or power to execute such contract, to any other person, firm or corporation, without the previous written consent of the Districts, but in no case shall such consent relieve the Bidder from his/her obligation, or change the terms of the Contract.

Furthermore, the contractor shall not allow a subcontractor to commence work on any portion of the project without evidence that the subcontractor has insurance coverage equal to coverages required of the contractor by the districts.

15. NON-DISCRIMINATION

No bidder who is the recipient of the Districts' funds, or proposes to perform any work or furnish any goods under this agreement shall discriminate against any worker, employee or applicant or any member of the

public because of religion, race, sex, color, or national origin, nor otherwise commit any unfair employment practice. Bidder further agrees that this article will be incorporated by the bidder into all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations furnishing skilled, unskilled, and craft union skilled labor, or who may perform any such labor or services in connection with this contract.

16. SEXUAL HARASSMENT POLICY

Every party to a public contract and every eligible bidder must have a written sexual harassment policy that shall include, at a minimum, the following information: (i) the illegality of sexual harassment; (ii) the definition of sexual harassment under state law; (iii) a description of sexual harassment, utilizing examples; (iv) the recourse, investigative and complain process available through the Illinois Department of Human Rights and the Human Rights Commission; (v) directions on how to contact the Department and Commission; and (vi) protection against retaliation as provided by Section 6-101 of the Human Rights Act.

17. INDEMNITY

Bidder/contractor shall indemnify, keep and save harmless the Districts, its agents, officials and Employees, and Boards of Education, against all injuries, death, loss, damages, claims, patent claims, suits, liabilities, judgments, cost and expenses, which may in any way accrue against the Districts in consequence of the granting of this contract or which in any way result therefrom, whether or not it shall be alleged or determined that the act was caused through negligence or omission of the Contractor or his employees, and the bidder/contractor shall, at his/her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith, and if any judgment shall be rendered against the Districts in any such action, the bidder/contractor shall, at his/her own expense, satisfy and discharge the same. Bidder/contractor expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by bidder, shall in no way limit the responsibility to indemnify, keep or save harmless and defend the Districts as herein provided.

18. COLLUSIVE BIDDING

The bidder certifies that his/her bid is made without any previous understanding, agreement or connection with any person, firm, or corporation making bid for the same project, and is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action.

19. IDENTICAL BIDDING - EXECUTIVE ORDER NO. 10946

All identical bids submitted to the Districts as a result of advertised procurement for materials, supplies, equipment or services exceeding \$2,500.00 in total amount shall, at the discretion of the Districts, be reported to the Attorney General of the United States in accordance with Form DJ-1510 and the Presidential Order dated April 24, 1961 for possible violation and enforcement of antitrust laws.

20. CONTRACTOR NOT AN AGENT

The bidder/contractor shall not be held or deemed in any way to be an agent, employee, or official of the District, but rather an independent contractor furnishing services to the Districts.

21. RESPONSIBILITY FOR MATERIALS SHIPPED

If applicable, the bidder/contractor shall be responsible for all the materials, supplies, and equipment covered by this contract stored on the Districts' site

22. INSPECTIONS

If applicable, for supplies and materials purchases - inspection and acceptance of will be made after delivery. Final inspection shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud. Final inspection and acceptance or rejection of the materials or equipment will be made as promptly as practicable, but failure to inspect or accept or reject materials or equipment shall not impose liability on the District for such materials or equipment as are not in accordance with the specifications. All delivered materials shall be accepted subject to inspection and physical count.

Contractors or vendors should be aware that the Districts are required by state law to follow and adhere to all local municipal building and zoning codes.

Work must be inspected by the Village of Minooka and approval obtained prior to any payment.

23. PREVAILING WAGE

The awarded Contractor is required to pay all applicable wage rates as required and stipulated by Federal, State and Local laws and **Contractor agrees to pay prevailing wages for all work completed under this contract.**

The contractor and all subcontractors shall use the "CERTIFIED TRANSCRIPT OF PAYROLL" and "AFFIDAVIT" forms as prepared by the Illinois Department of Labor. Electronic Versions of these forms are available from the Illinois Department of Labor. Pay requests will not be processed until current certified payrolls are provided for contractor and subcontractors. Contractor shall be required to provide waiver/releases and final waiver of liens for contractor and all sub-contractors.

24. INSURANCE

The District upon awarding a project requires a Certificate of Insurance with "Additional Insured Endorsement in such amounts detailed below and as deemed acceptable by the Districts. Proposed insurance limits must be submitted with the proposal. You must require your insurance company to list the Districts as "Additional Insured". In the "Description of Operations locations/Vehicles/Special Items" section of the Certificate it must state: "Minooka Community High School District 111, Minooka Community Consolidated District 201, its employees, officers, agents, and their Boards of Education as additional insured per Additional Insured Endorsement.

The following summarizes basic insurance requirements for Contractors. Contractor shall at his expense, procure and maintain required insurance coverages on all its operations in companies acceptable to the Districts.

1. Workers Compensation (Statutory) and Employer's Liability:

\$1,000,000 each accident for bodily injury by accident; \$1,000,000 each employee for bodily injury by disease; \$1,000,000 policy limit for bodily injury by disease.

2. General Liability Insurance (CGL):

Commercial general liability on an occurrence coverage form. The limits of liability shall not be less than:

\$1,000,000 each occurrence (combined single limit for bodily injury and property damage);
\$1,000,000 for personal and advertising injury liability;
\$1,000,000 aggregate on products and completed operations;
\$3,000,000 general aggregate.

Additional Insured Endorsement: Blanket additional insured coverage should be requested to include the Contractor, his officers, directors and employees, the Owner, and any other party, as may be required.

3. **Automobile Liability Insurance:**

4. \$1,000,000 Combined single limit each accident for bodily injury and property damage. Include coverage on all owned, hired, and non-owned automobiles.

5. **Certificates of Insurance:**

6. Contractor shall furnish certificates of Insurance and applicable endorsements to Districts *before* Contractor commences any work.

7. **Insurance Requirements for Sub-Contractors:**

Contractor shall ensure that all tiers of his Sub- Contractors shall maintain insurance in like form and amounts, including the Additional Insured requirements. Each Sub Contractor shall provide Certificates of Insurance and applicable endorsements to the Contractor *prior to the start* of the Sub- Contractor's work on this project.

8. **Acceptance/Compliance:**

The required insurance shall be subject to the approval of the Districts, but any acceptance of insurance certificates by Districts shall in no way limit or relieve Contractor of the duties and responsibilities stipulated in the Contract Agreement. If higher limits or other forms of insurance (e.g., professional liability, aircraft insurance, builders risk, hazardous materials or pollution liability) are required by the Districts, the Contractor will comply with such requirements. Districts may take such steps as necessary to assure Contractor's compliance with insurance requirements. In the event Contractor fails to maintain minimum insurance coverage as required or provide written evidence of required Certificates and/or endorsements, Districts may maintain such coverage and charge the expense to Contractor, terminate this agreement and/or withhold payment.

25. **SAFETY**

The contractor shall provide all barricades, security, and signage necessary to control vehicle and pedestrian traffic and to protect the pavement areas while work is in progress.

26. **GENERAL**

The contractor will be responsible for the procurement of all construction permits. The contractor shall give all notices necessary and incident to the due and lawful prosecution of the Work. The contractor shall be responsible for arranging all necessary inspections with Minooka Village officials.

All work shall be conducted in accordance with the Occupational Safety and Health Administration (OSHA) requirements and Grundy County regulations. The contractor shall be fully responsible for coordination of his work and the work of his employees, subcontractors, and suppliers, and to assure compliance with schedules. The Occupational Safety & Health Administration (OSHA) Hazardous Communication Standard (29 CFR 1910.1200) states that contractors/suppliers must be informed of the hazardous chemicals their

employees may be exposed to while performing their work and any appropriate protective measures. In order to comply with this requirement, the district has developed a list of all the hazardous chemicals known to be present in our facility. A Material Safety Data Sheet (MSDS/SDS) is also on file for each of these chemicals and/or hazardous substances. This information is available to you and to your employees upon request.

In order to protect the safety and health of our own employees as well as the employees of contractors/suppliers, contractor/suppliers must maintain and provide, upon request, an MSDS/SDS on any hazardous chemical(s) or material(s) which they bring to the facility. Failure to maintain an MSDS/SDS and provide this information in a timely manner will result in the removal of the contractor/supplier from the premises.

Each employer is also responsible for notifying any subcontractor they employ regarding the requirements of OSHA's Hazard Communication Standard.

The contractor shall schedule work with the authorized district representative with at least Seven (7) days advance notice. The contractor shall at all times conduct the work in such manner as to insure the least obstruction to vehicular and pedestrian traffic. The convenience of the general public and employees shall be provided for in an adequate and satisfactory manner.

Any unforeseen site conditions that are encountered in the field that warrant a modification in the plans and/or design shall be brought to the attention of the districts' authorized representative.

Any construction items that are not represented in the plans or summary of quantities but can be reasonably be expected to be included in the scope of work of an already specified item shall be considered incidental to the Contract and no additional expense shall be permitted.

It shall be the sole responsibility of the contractor to restore the project or disturbed areas to conditions prior the commencement of construction activities.

To the fullest extent permitted by law, the contractor shall be responsible for any and all injuries or damages to property due to the activities of the contractor, its subcontractors, suppliers, agents and employees arising out of or resulting from performance of the contract, or any activity in connection therewith. The contractor shall indemnify and hold harmless the Districts, including the Boards of Education, its employees, officers and agents from any and all claims, lawsuits, actions, costs and fees, including reasonable attorney's fees and expenses of every nature and description, arising from, growing out of, or connected with the work, or on account of or in consequence of any neglect in safeguarding the work, or on account of or in consequent of using unacceptable materials in construction of the work of because of any act, omission, neglect, or misconduct of contractor, its officers, employees, agents, subcontractors, or anyone directly or indirectly employed by them and/or anyone for whose acts they may be liable for because of any claims or amount of recovered by reason of any infringement of patent, trademark, or copyright, or by reason of the violation of any law, ordinance, order, or decree.

The contractor shall be responsible for meeting any requirement for any machine, device or part thereof, which is regulated by or becomes regulated by Federal or State of Illinois Noise Standards, shall conform to those standards. All other equipment shall operate under the noise requirements of the Village of Minooka and County of Grundy, IL.

Nothing in this contract between the districts and the contractor or anyone else is intended or shall be construed, unless otherwise expressly stated, to reduce the responsibility of the contractor, subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, from full and complete supervision and achievement of work place safety. Any inspection of the work conducted by an authorized representative of the districts, employee, or officer whether notice of the results thereof is provided

to anyone or not provided to anyone, shall neither establish any duty on their parts nor create any expectation of duty to anyone, including but not limited to third parties, regarding work place safety.

In order to insure this and other duties of the contractor, certain indemnifications and insure is required by the contract. Additionally, the contractor guarantees to the districts a safe work place shall be provided for all employees of the contractor, subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable of the applicable standards of the Occupational Safety and Health Act and any work place safety act of the State of Illinois. Contractor agrees to require this work place safety guarantee of all subcontractors and expressly require the districts and Boards of Education to be third party beneficiaries of each guarantee.
