

Classes of 2022 & 2023

School Counselor Connection

April
2020

Hello

STUDENTS

We hope that you and your families are safe and doing well! We understand that this unexpected pandemic has created a unique time for you and your family. During this time of remote learning we understand the importance of communication and flexibility within your new learning environment. Your school counselors and student service team are here to continue to help and support you academically and personally during this time.

Stay Connected with us!

Email | Lunch & Learns | Virtual Meetings | Phone

There are many options to connect with your school counselor! We encourage you to use the option that works best for you. We will attempt to respond to all attempts to contact us within 24 hours. Messages, emails, etc received after 3PM on Friday will not be returned until Monday. **Our "Office Hours" are 9AM -3PM, but are subject to change.**

Lunch & Learns

Want to learn about topics that interest you? Attend a Lunch & Learn to view a presentation, ask questions, and see the counselors virtually. An email will be sent prior with the Google Meet information. Counselors will be available to answer questions too.

THANK YOU

April 24 @ 12pm College Planning
May 1 @ 12pm Preparing for a Career without a University Degree
May 8 @12pm Exploring Careers

We heard you! Thank you for responding to our check in survey last week. We are using that feedback to provide more support and learning opportunities.

GRADES, ATTENDANCE, ETC

Attendance is taken each day. Students are expected to complete the daily email from Mr. Edwards and their teachers daily attendance. During this time your teachers want to make sure you have the opportunity to complete work and show progress. Graded work may not lower your grade as of March 16, 2020. During remote learning incomplete assignments will be recorded as "incomplete". All "incomplete" work must be completed to finish the class and receive credit. In order to avoid having to retake the semester during the summer or in the Fall, it is very important that you complete work during this time.

School Counselor Contact Information
