

Honors summer work for the first day of school entering Spanish V-AP.

An entrance exam will be given the first full day of class.

All topics can/should be reviewed on studyspanish.com or other online resources.

I also advise interacting with Spanish in as many different ways as possible as often as possible. Interactions may include reading online articles, watching Spanish shows or movies, completing online activities like DUOLINGO.COM, or conversing in Spanish.

Overall value is 3% of T1.

(Categories for T1: Summer Work 3%, Presentational 30%, Interpersonal 30%, Interpretive 30%, Skill & Structure 7%)

There is no requirement to sign up for any account nor to print any activities. The following are suggested activities and serve as the basis for the entry exam.
